T.One

Important: Pre-press the garment 5 to 10 seconds and allow time for all moisture to evaporate! Any moisture left in the fabric will have a negative effect on the performance of the transfer process.

Note: Wait about 10-15 seconds before stripping off the liner paper. Strip liner right on the heat press in one slow steady motion in a very shallow angle!

Important for Washing Durability of the garment: Cover the image with T.Seal and press again for 20-30 seconds for the final seal !

Note: First wash after minimum 48 hours only!
